GAGGED!

THE (ALMOST) COMPLETE WORKS OF GAG

Hey! Just thought I'd drop you regs out there a note to let you know that GAG is not dead - but it is on indefinite hiatus. Why? Well, I find that I can't commit myself to it right now due to my waning interest in wrestling, and my doing the "in love" thing with my Hot Love Babe From Hell, Sandi Watling. I will continue to write GAG RANDOM MEANDERINGS... for Brian Tramel's great RASSLIN RIOT (4 issues for \$3 from 1806 Self Circle, Apt. #B, Jonesboro, AR 72401), but, at least for the time being - that's about it.

Anyways, since I have lots of back issues left, I'm offering everything but (hence the title above) #4 (THE T-SHIRT FROM HELL) and #13 (THE GAG CHRISTMAS CARD) for \$10 (541 Devonshire Ave., Woodstock, Ont., Canada N4S 5P9 - please make check or money order payable to Jeff Zinger, not J.Z. Travis). I'd appreciate a plug from all you sheet editors out there.

Later,

A PERSONAL NOTE

*The "in love" thing turned
into a brutal marriage - I
don't know how it lasted 4
years.*

*J.Z. Travis was fun. So many
people thought he was a
real person - esp those who
never got GAG. And for those
who knew it was me, I ran
an angle on Facebook recently
and now some of the people
that knew I was JZ now
are either wondering or think
that he was real..*
